Serial No. 10/500,826  
June 18, 2010

**REMARKS/ARGUMENTS**

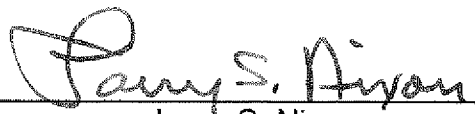

Further consideration of this application is respectfully requested.

After submitting the amendment of June 1, 2010, it has been noted that the intended amendments to claims 23 and 24 were not fully implemented due to minor clerical error with respect to one or two words. In addition, it has been noted that the readability/understandability of the independent claims 1, 2, 23 and 24 could be improved by moving two of the intermediate claim elements to the end of the respective claims.

Accordingly, so as to effect these corrections/improvements, the above supplemental amendment is presented. Entry and consideration of same are respectfully requested.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
